Solicitors by Specialism

Advocacy Workers are not qualified in law. Whilst they often have a working knowledge of legislation like the Mental Health Act, the Adults With Incapacity Act and the Adult Support and Protection Act, Ceartas Advocacy Workers cannot and will not give you formal legal advice or counsel.

This list of solicitors was compiled from the website of the Law Society of Scotland: inclusion of these companies in this list should not be considered as a recommendation for any particular firm, and the role of this information sheet is to provide individuals with options and choices.
