## Training with Attitude! *Training for Trainers*

Shine are committed to letting those who receive support services in East Dunbartonshire know about the benefits of using self-directed support and who better to help us spread the word than the real experts: you!

We are looking for people with experience of self-directed support to share their stories of how using SDS has improved the quality of services they receive. The *Training with Attitude* course will support participants to develop their skills as trainers, presenters and public educators so they will have the confidence to share their stories with others.

As well as receiving inspirational training and making new friends you will also be helping others learn about an initiative that empowers people and lets them take more control over their lives. We really hope you'll be interesting in contributing to this exciting project and look forward to hearing from you soon.

When?	Where?	Who?
10am—4pm 14th and 15th August	McGregor House, Kirkintilloch	The course will be led by Heartfelt's David Douglas and Idem Lewis

**For more information or to book your place on the course please contact Ewan Roy at Ceartas on 0141 775 0433.**
